Student Summarization of Presentation

<u>Due</u>: Wednesday, December 8 by 11:59pm CST on **Github.**

- **<u>Steps</u>**:
    - On the day of the presentations, you (as an individual) will be randomly assigned to another group presentation.
    - After watching this group's presentation, you should fill out the **"Student Feedback of Presentation"** document and submit it individually on Github.
    - The group that you summarized in this report will be able to see the constructive feedback and your summarization.
    - If you are unclear about how to answer the questions in this document, you are encouraged to reach out to the group that you were assigned to for clarification.

Your Name: _____

Assigned Group Student Name(s): _____

Questions:

1. What is the motivation for the analyses in this presentation? Or in other words, why should you (or someone else) care about the analysis that you just read/listened to?

2. Did the analyses and conclusions answer the research questions that was stated at the beginning of the report/presentation? If so, how? What were the answers to these research questions?

3. How would the results/answers to these research questions be useful to someone?

4. After watching this presentation, what is one follow up question that you would have for this group? This could be a question about the work that they already did or an interesting question for future work.

   For instance:
   - *"How did you make <this decision here> in your analysis?"*
   - *"I noticed <this particular thing> in one of your visualizations, it'd be interesting to try out <this particular analysis> in future work, because <reasoning/curiosity here>."*

5. Any other constructive feedback that you'd like to give this group on their work? (Not required).
